

You Are Invited to St. Joseph's Table

Are you interested in connecting with other members of the Catholic Community of St. Joseph?

Consider joining St. Joseph's Table. Ten times a year members of St. Joseph's Table receive an invitation to gather for a meal, either a potluck at the church or in the home of one of the participants of St. Joseph's Table. These meals offer a unique opportunity for adult parishioners (couples and singles) of various life experience to connect through the breaking of bread together and sharing our stories with each other.

Joining is Easy!

Complete the registration below and drop it off in the church office. You can also contact Maria Cancino via email, stjosephtable.nhmn@gmail.com, with the information on the form and she will take your registration for the program and answer any questions you may have.

Participating is Easy!

When you receive the email invitation (approximately ten times a year), respond if you are able to host or attend a St. Joseph Table event. If it is hosted in a parishioner's home (maybe yours!) you will be contacted by the host as to what dish you can bring to share (hosts provide the main dish and beverage). If it is a potluck at the church, make your dish to share and join us at the Parish Center on the night of the event. If you are unable to come that month just say no to the invitation.
