Fall 2018

Dear Parishioners,

Throughout the year we receive inquiries about the needs of the Parish. This “Angel’s List” is a way of informing our parishioners of the Capital Repairs and Improvements as well as other needs, great and small, that have arisen in the past two years.

Individuals and groups have already contributed gifts for some items listed here. The costlier items may have to be deferred until the mortgage is paid off.

If you would like to specify a particular Angel’s List item to be donated to the Parish we will honor your generosity. Thank you for helping the parish to maintain its buildings and grounds and for enabling the staff to continue its ministries.

In Christ,

Fr. Terry Rasmussen
